

Take the Bridges Career Interest Inventory any Day of the Year

SCCS has a site license for the Bridges Choices Planner, and students in the high school just need to open up an account and can take a free Interest Inventory any day of the year, even at home!

Why You Should Try It:

- To learn about yourself! The more you know about what kind of work you like, the better chance you have of finding the perfect career and major in a university or college!
- Find interesting career options! The Interest Profiler is one of the easiest ways to get a list of occupations you'll probably like!
- You can link your interests to majors and also colleges and universities.

How Long does it Take:

- There are 180 questions and the average length of time to complete them are approximately 10 to 20 minutes
- To check out careers, other interest/skill inventories, majors and colleges- as long as you want!

How to Get Started:

- Go to www.bridges.com
- Students need to create a portfolio in the student section in the top right corner where it says student sign in
- Click on the Create a New Portfolio button and it will ask you for the Site ID, and the Site Password
- The Site ID is: **See Mr. Vande Loo**
- The Site Password is: **See Mr. Vande Loo**
- Fill in the student information boxes on the next page. It will ask for your student ID number but you can fill in 0.
- Please write down your portfolio name and password so you don't have to open another account in the future, and can save and continue the work you've already completed
- Click on the Choices Planner arrow, and then click the Interest Profiler under the "WORK" section and get started!
